

Aksia Group and its portfolio companies support the Italian health system with €100 thousand donations

Milan, April 1st, 2020

Aksia Group announced today that, together with its portfolio companies, has contributed with €100 thousand to fight against the Covid-19 emergency supporting local hospitals and Civil Protection Departments in Italy.

With a wide gratefulness to doctors, medical professionals and volunteers, who are strongly working despite the broad risks they are exposed, Aksia Group and its portfolio companies selected the following hospitals to receive donations:

- ❖ ASST Grande Ospedale Metropolitano Niguarda [Milan]
- ❖ INMI Lazzaro Spallanzani [Rome]
- ❖ Azienda Ospedaliera dei Colli - Ospedale Domenico Cotugno [Naples]
- ❖ Protezione Civile della Regione Emilia Romagna
- ❖ Policlinico di Modena - Azienda Ospedaliero-Universitaria di Modena [Modena]
- ❖ Ospedale Santa Maria delle Croci di Ravenna - AUSL Romagna [Ravenna]
- ❖ A.O.U. Citta della Salute e della Scienza di Torino [Turin]
- ❖ Azienda Ospedaliero-Universitaria San Luigi Gonzaga [Turin]
- ❖ Protezione Civile Italiana

The money collected and the contribution in kind of medical equipment's will support the departments most exposed to the current health emergency and our aims of actively contributing to the community welfare will strongly continue until the situation will be solved. In addition, our portfolio companies actively contributed, for an amount not quantified, to improve the quality of digital communication, being part of the digital solidarity program promoted from Italian Ministry for Innovation, and to offer a call center support on primary needs for more exposed clients of dental clinics without any charge.
